OUR WAY
INTO THE
FUTURE OF
TERMINOLOGY

Future of blogging in Terminology

1. Original content

2. Easy + Accessible

3. Keep up with Technology

I am a beginner in this field but it interests me very much even if I don't know exactly where to begin and how to practice terminology management. – Claire

You have no idea how much your posts motivated me. I'm genuinely interested in terminology because of your blog. – Asma

I live on an island where it's not easy to find information about this topic – Ana

The last few days I have started thinking about where I want to see myself/my career in the near future and the more I think about it, the more I feel it could be in the field of terminology. – Amelia

I truly enjoy your blog because it has very useful information that helps me do a better job as a terminologist. – Bobby

I've reoriented my professional life, but I'm deeply interested in the subject and I do wish to pursue further education in the field. – Sara

In the libraries of my country it is hard to find Terminology books – Olga
